

# THEERAPHAT CHUMCHIT

Computer Science Graduate | Full Stack & Mobile Developer  
082-831-0115 | threeraput5tmr@gmail.com | github.com/Threeraput

---

## PROFESSIONAL SUMMARY

Recent Computer Science graduate from Kasetsart University, Kamphaeng Saen Campus, with hands-on experience in full stack web development, mobile application development, and data science. Skilled in building responsive front-end interfaces, RESTful APIs, and database-driven applications. Quick learner with strong problem-solving skills and a passion for using technology to build practical solutions.

---

## PROFESSIONAL EXPERIENCE

**Software Engineer (Co-operative Education)** *Dec 2025 - Mar 2026*  
*Gosoft (Thailand) Co., Ltd.*

- Developed a full stack web application for enterprise-level resource and business management.
- Built responsive user interfaces and interactive components using React, TypeScript, and Tailwind CSS.
- Designed RESTful APIs and managed databases using NestJS, PostgreSQL, and TypeORM.

---

## PROJECTS

**Face Attendance Application** *Mobile Development Project*

- Built a platform classroom attendance app combining facial recognition, location-aware check-in, and real-time session monitoring.
- Developed a Flutter mobile client with camera-based face capture/verification, OTP account activation, and role-based screens for students, teachers, and admins.
- Implemented a FastAPI backend (PostgreSQL, SQLAlchemy) covering attendance session lifecycle, WebSocket live updates, announcements, and assignment grading.
- Integrated Firebase Cloud Messaging for push notifications and Alembic for database schema migrations.

**Transcript Checker Application** *Mobile Development Project*

- Developed a mobile application to check student transcripts and verify graduation status, built with React Native and SQLite.

**Stock Price Prediction** *Data Science Project*

- Trained and tested a regression-based predictive model in Python using a Kaggle dataset to predict closing stock prices.

---

## EDUCATION

**Kasetsart University, Kamphaeng Saen Campus**  
*Bachelor of Science, Computer Science - Faculty of Liberal Arts and Science*  
GPA: 3.20

---

## SKILLS

**Programming Languages:** C, Java, JavaScript, TypeScript, Python, Dart, SQL, HTML, CSS

**Frameworks & Libraries:** React, React Native, Flutter, Tailwind CSS, NestJS

**Tools & Other:** REST API, Git, PostgreSQL, MATLAB

---

## LANGUAGES

Thai (Native), English (580 Toeic)
